

Below you will find a wedding flower ordering checklist to help you outline your floral needs. Use this space to make notes about the number of family and friends you will need flowers for and the types of flowers you are interested in and would like to know more about. Capture as many thoughts about your floral needs and use this as a guide when you meet with the florist. Providing your florist with these important details will enable them to get to know you better and help ensure that all your questions will be answered.
